

## Call for Board & Committee Members

Big Brothers and Sisters of Ajax-Pickering (BBSAP) is a leader in addressing the needs of children and youth with targeted mentorship programs. Mentors offer stability, guidance, and support to young people at a pivotal time in their lives. For over thirty years in this community we have seen the impact that our programs have on those who participate. Children who spend time with a mentor gain confidence, acquire new skills, competencies, and develop an enhanced capacity to care for others.

BBSAP is currently seeking volunteers with diverse backgrounds, experience and expertise to serve on our Board of Directors or join a Board Committee. We would like to engage individuals with one or more of the following:

- fundraising, marketing or financial management experience
- government, media or corporate relations
- non-profit and/or board experience
- commitment to youth issues, community development, equity issues and diversity

In addition to participation in monthly Board meetings, Board members are required to participate in one of the Board's committees - Fundraising and Marketing, Programs, or Finance & Administration. It is expected that Board Members will attend the agency's signature fundraisers and participant events. The average time commitment for a board member is 4 – 6 hours per month. Meetings are generally held at our Pickering office or by conference call.

If you are interested in joining our team to make a significant difference in the lives of young people by providing your skills, talents and vision, please contact:
